Leaving the tap running whilst brushing won't make your teeth any cleaner!

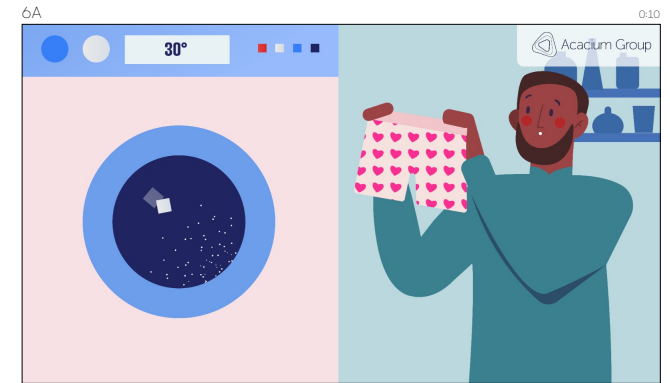

Plan ahead to avoid spending on 'little' extras - prepare your meals in advance! That's meal prep, baby!

Use discount codes/cashback sites for Christmas shopping/January sales. FIFTY PERCENT ON AIR FRYERS?! Good idea!

Get creative with an air fryer... It could save you £££ vs using the oven. Nice one, masterchef!

Wash at 30 degrees instead of 40 to save money on water. Nice breeches, bro. At least they're clean..
